Welcome to Mrs. Kocsi-Thwaites who has been appointed as our school’s Assistant Principal Learning and Support. Mrs. Kocsi-Thwaites will be working across the school leading our learning support programs.

It is CRAZY HAIR DAY this Friday. This day is aimed at raising money to support the leukemia foundation. Everyone is invited to come to school with CRAZY HAIR and sports uniform. The P&C will be holding a cake stall after our special assembly at 10.30am. At this assembly Peter Koletti will have his head shaved in support of this great cause!!!

We ask everyone to make this day a huge success by bringing a gold coin donation for the Crazy Hair and money for the cake stall. Parents who wish to make a donation greater than $10 may do so at the school office – where you will receive a receipt for your taxation records. We aim to raise $1000 for the Leukemia Foundation on Friday.

SOCIALMEDIA can be either great or dangerous. Parents must be vigilant in making sure they know who their child is ‘talking to’ online and what the content of conversations are. Remember any threats or inappropriate language used towards another person is considered serious bullying. Never give your password to another person, because you alone are responsible for all messages and content sent on your account.

The internal painting has finally been completed in the wooden block. The rooms look fabulous! Classes are now able to be more settled. We, however, are still waiting for the arrival of a demountable classroom for 1K. The room order has arrived so we should see action on this in the coming days.

OUR FOCUS RULE OF THE WEEK

RESPECT yourself, others and property.

This week we are especially focusing on speaking to each other in a respectful manner. This also includes how we communicate with each other on the Internet.

Girls Tee and Softball Sports report from March 8th

Last Friday the senior and junior girls travelled to O’Neill Park to play in their first official round against Chullora. It was the first game for many of our new players and they worked very well as a team!

The juniors had a lot of new girls that were still learning the rules. Despite that, they still won! The score was 14-11. The players of the match were Aya for great catching and Zeina for a good outfield throw.

The seniors lost unfortunately 2-0 but they played well as a team. The players of the match were Ruby for a great first time at pitching, Georgia for playing catcher well and not letting balls past her and Elizabeth for quick thinking in her first ever game and listening to the rules.

Junior and Senior Cricket

Last Friday both our Junior and Senior cricket sides had good wins against Bankstown North PS at Roberts Park. Our Juniors fielded extremely well with Abdul throwing down the stumps to effect three run outs as well as taking a superb catch. Umer was another excellent performer with the bat, showing outstanding running between the wickets to put pressure on the fielders.

Our seniors were well led by Nasa who took two wickets and directed his players well. The team showed enthusiasm in the field and improved batting to increase their scoring rate. Well done everyone.
