PRINCIPAL’S MESSAGE

CELEBRATION FOR BANKSIA ROAD PS

Last Friday the Department of Education (film crew) came out to Banksia Road to interview our teachers and highlight the amazing work we are doing utilising the Gonski funding. We were just 1 of 4 schools chosen across the state. The video will be shown at the upcoming State Principals Conference and will also be on the DoE website. A quick summary:

- Our teachers are committed to facilitating a Homework Club every Monday afternoon from 3 till 4pm (over 100 students on the books). Our Community Hub Coordinator (CHC) Marina organises the initiative.
- One of our teacher’s aides established a playgroup / preschool which involves setting up as early as 7:30am every Wednesday.
- Our teacher’s aides also facilitate a number of lunch time groups such as the Games Room, Art and Gardening Club. Our teacher’s aides also support quality teaching in the classroom.
- Our teachers are also involved in quality professional learning enabling them to implement cutting edge teaching practices.
- Our Community Hub Coordinator has earned the trust of the community and cultivated high levels of parent engagement.

SURVEYS

Our school is participating in the ‘Partners in Learning’ survey. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. The survey takes less than 15 minutes to complete and is completely confidential and online. We value your feedback and your responses will help us make practical improvements.

All you have to do is Google “Tell Them From Me” and then put the username and password into each section. You now have an extra week, the survey closes Friday 23rd October.
