LOCAL EXCURSIONS

Dear Parents,

As part of the curriculum, students from Kindergarten to Year Six may occasionally be required to walk to locations in the local environment such as the local library and shops, pool, neighbouring schools or a sports oval for activities such as cross country and “Good as Gold Day”.

Detailed permission notes are not required by the Department of Education and Communities for such excursions which involve no cost and no travelling in a vehicle.

Please sign the permission note below to allow your child full participation in these activities.

Mrs Jenny Eggins
Principal
